

REISSUE APPLICATION DECLARATION BY THE INVENTOR

Docket Number (Optional)

P06753US0/BAS

I hereby declare that:
Each inventor's residence, mailing address and citizenship are stated below next to their name.
I believe the inventors named below to be the original and first inventor(s) of the subject matter which is described and claimed
in patent number 6,596,304, granted July 22, 2003 and for which a
reissue patent is sought on the invention entitled METHOD FOR PREPARING TWO-LAYER BICOMPOSITE
COLLAGEN MATERIAL FOR PREVENTING POST-OPERATIVE ADHESIONS
the specification of which

☐ is attached hereto.

☐ was filed on _____ as reissue application number _____
and was amended on _____
(If applicable)

I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any
amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

☐ I hereby claim foreign priority benefits under 35 U.S.C. 119(a)-(d) or (f), or 365(b). Attached is form PTO/SB/02B (or
equivalent) listing the foreign applications.

I verily believe the original patent to be wholly or partly inoperative or invalid, for the reasons described
below. (Check all boxes that apply.)

☐ by reason of a defective specification or drawing.

☐ by reason of the patentee claiming more or less than he had the right to claim in the patent.

☒ by reason of other errors.

At least one error upon which reissue is based is described below. If the reissue is a broadening
reissue, such must be stated with an explanation as to the nature of the broadening:

The final version of Claim 1 is submitted as being in error in that
step (i) does not indicate that the solution of collagen or gelatin
forms a 30 μ m to less than 100 μ m-thick layer after drying. The
present reissue is filed to correct this error.
